But the format is attractive, makes the verses stand out and is very comfortable for the eyes. Thank you for this resource. I'm very disappointed, as I started listening to the audio while following with the written words in this app. The audio is read from the KJV, while the written word is from NKJV. Although that's not the worst, because one can keep track of all the books read in the app which I do really like, and the Quizzes are actually quite enjoyable. What is upsetting to me is that I'm in Genesis 24, and the audio is horrible where the audio voice appears to be skipping around possibly to other books, because it's impossible to follow along with the written words within the app. PLEASE FIX THIS. I will try listening to the next book, if it's a problem I will look for another app. I really wanted to hear the Bible read from the NKJV. @ There aren'tWords to describe how I feel about God's word it is marvelous, amazing true work of wise Prophetic life-giving book in this entire world I love it The developer, Mala M, has not provided details about its privacy practices and handling of data to Apple. Download the New King James Version, a completely new and original translation of the Bible! Read the most popular Version of the Bible, translated in modern English. The New King James Version (NKJV) was created by a group of scholars translating the Bible from the original texts in Hebrew, Aramaic, and Greek. The project was formally started in a meeting. A big group of scholars met in Illinois and began to translate the Holy book from available manuscripts in the original languages. The purpose was to create a Bible in contemporary English. The purpose of New King James Version is bring modern Bible readers as close as possible to the original meaning of the Sacred Scriptures. The work of the NKJV will never be complete because English usage is always changing. The CBT (Committee of Bible Translation) is charged to meet every year to review and maintain the NKJV. A update is the latest revision. The New King James Version consists of 39 books in the Old Testament (Genesis, Exodus, Leviticus, Numbers,Deuteronomy, Joshua, Judges, Ruth, 1 Samuel, 2 Samuel, 1 Kings, 2 Kings, 1 Chronicles, 2 Chronicles, Ezra, Nehemiah, Esther, Job, Psalms, Proverbs, Ecclesiastes, Song of Solomon, Isaiah, Jeremiah, Lamentations, Ezekiel, Daniel, Hosea, Joel, Amos, Obadiah, Jonah, Micah, Nahum, Habakkuk, Zephaniah, Haggai, Zechariah, Malachi) and 27 books in the New Testament (Matthew, Mark, Luke, John, Acts, Romans, Corinthians 1 and 2, Galatians, Ephesians, Philippians, Colossians, 1 Thessalonians, 2 Thessalonians, 1 Timothy, 2 Timothy, Titus, Philemon, Hebrews, James, 1 Peter, 2 Peter, 1 John, 2 John, 3 John, Jude, Revelation) Listening to the Bible is an incredible experience. After all, the words were meant to be heard, not necessarily only read. It can also help you learn better. Many people absorb and retain information better when hearing it. It can also save you time, as you commute, clean the house or go for a walk, you can take the Word of God with you. Hope you enjoy the app! First printed by the King's Printer Robert Barker, this was the third translation into English to be approved by the English Church authorities. The first was the Great Bible commissioned in the reign of King Henry VIII, and the second was the Bishops' Bible of 1568. In January 1604, King James I convened the Hampton Court Conference where a new English version was conceived in response to the perceived problems of the earlier translations as detected by the Puritans, a faction within the Church of England.James gave the translators instructions intended to guarantee that the new version would conform to the ecclesiology and reflect the episcopal structure of the Church of England and its belief in an ordained clergy. The translation was done by 47 scholars, all of whom were members of the Church of England. In common with most other translations of the period, the New Testament was translated from Greek, the Old Testament was translated from Hebrew text, while the Apocrypha were translated from the Greek and Latin. In the Book of Common Prayer (1662), the text of the Authorized Version replaced the text of the Great Bible – for Epistle and Gospel readings – and as such was authorized by Act of Parliament. By the first half of the 18th century, the Authorized Version was effectively unchallenged as the English translation used in Anglican and Protestant churches. Over the course of the 18th century, the Authorized Version supplanted the Latin Vulgate as the standard version of scripture for English speaking scholars. Today, the most used edition of the King James Bible, and often identified as plainly the King James Version, especially in the United States, closely follows the standard text of 1769, edited by Benjamin Blayney at Oxford. Bug fixes and stability improvements As I tried church in Alaska in my early 20s at a good, Bible-believing church, there came a time when I truly struggled in understanding The King James Version of the Holy Bible. As I was regularly attending church and discipleship training, I felt the need for a good Bible, dependable in translation. So I went on a search at a local, Christian bookstore. I settled on the New King James Version. It has helped me harvest truth, knowledge of our Lord and Savior Jesus, God the Father, and the Holy Spirit. For many years in Bible Study Fellowship, it went with me to each class, regardless of which book we were in. I thank God for leading me to this Bible before I knew I should have prayed about this decision. He is so faithful. He tells us to study to show ourselves approved. I highly recommend the NKJV Bible despite the many other available versions. I also recommend praying over which one to choose and listen for His answer, no matter how it is given to you.The most important thing a friend of my husband's and mine told us is, "The best Bible is the READ Bible." Thank you Doug. God bless you as you grow in faith, knowledge and are transformed by the continual washing of God's Word in your life daily.TrustingIam I enjoy this app. It's simple to use and I especially like the way the pages flip as though they are virtually paper. However I confess I am used to the scrolling wheel and having to search through the main menu seems a bit clunky to me. Why not make the search option easier albeit quicker too by using a "Quick Menu" at the top? This app is fantastic! I love that there is apps out there that spread the gospel. Couldn't be more happy with the highlighting,notetaking,etc. Maybe add more of a variety with colors, but that is not really a big issue for me. If I had to change anything, I would make mini lessons and go more into depth with the daily verses so everyone can get the main point of the verse and how it can relate to them in someway. Be relatable! Another thing is that once you choose a chapter and finish reading it, you have to scroll all the way down just to get to the book you want to read... this can be a little frustrating, so if you could possibly fix that it would be great! Again, I absolutely love this app, and don't regret getting it. Jesus loves you!
